**PETITIONING THE COURT**

To issue a warrant  
 To issue a summons

The probation officer believes that the offender has violated the following condition(s) of supervision:

**Violation Number**    **Nature of Noncompliance**

1

The offender has violated the supervision condition which states 'You shall not commit another federal, state, or local crime.'

On May 6, 2009, the probation office learned that on March 19, 2009, criminal complaints were filed by the Trenton Police Department charging the offender with Robbery with a Deadly Weapon (Handgun), Burglary, Unlawful Restraint with Injury, Aggravated Assault, Possession of a Handgun, and Possession of a Handgun for Unlawful Purpose.

According to police reports, on March 18, 2009, the offender broke into a residence and held three victims at gun point while robbing them. The offender restrained the victims with handcuffs and struck them in the head with the

handgun while kicking them in the ribs and burglarizing the residence. Police reports further indicate the offender shot one of the victims in the backside.

A bench warrant has been issued for his arrest and bail has been set at \$300,000 cash bail, no ten percent. The offender is currently wanted by Trenton Police for these charges.

2

The offender has violated the supervision condition which states 'You shall report to the probation officer as directed by the Court or probation officer, and shall submit a truthful and complete written report within the first five days of each month.'

The offender failed to report to the probation office on April 1, 2009 for an appointment and has not returned numerous telephone calls since he completed home confinement on March 9, 2009.

3

The offender has violated the supervision condition which states 'The defendant shall refrain from the illegal possession and/or use of drugs and shall submit to urinalysis or other forms of testing to ensure compliance. It is further ordered that the defendant shall submit to drug treatment, on an outpatient or inpatient basis, as directed by the U.S. Probation Office. The defendant shall abide by the rules of any program and shall remain in treatment until satisfactorily discharged with the approval of the U.S. Probation Office.'

The offender has failed to report for scheduled drug tests on April 9, 2009, April 22, 2009, and May 1, 2009.

4

The offender has violated the supervision condition which states 'You shall notify the probation officer within 72 hours of being arrested or questioned by a law enforcement officer.'

On May 6, 2009, a record check was conducted by the Probation Office with Trenton Police Department. It was reported that the offender was stopped and questioned by Trenton Police Officers on January 8, 2009, at the intersection of Stuyvesant and Christopher, and was questioned regarding suspicious drug activity. No charges were filed as a result of this incident, but the offender never reported being questioned by police on this date.

I declare under penalty of perjury that the foregoing is true and correct.
